## About Ohio Living

Ohio Living is one of the nation's largest not-for-profit, multi-site senior living organizations.

Each year, we serve more than 73,000 people through our 12 life plan communities, Ohio Living Home Health & Hospice and Ohio Living Village Home Health & Hospice.

Additionally, the Ohio Living Foundation raises several million dollars annually to support charity care, special programs, capital expansion and endowment.

Ohio Living Home Health & Hospice does not discriminate against any person on the basis of race, color, religion, age, gender, gender identity, sexual orientation, disability (mental and/or physical), communicable disease, or place of national origin in admission, treatment, or participation in its programs, services and activities, or in employment.

## Providing the Services You Need in the Place You Call Home

At Ohio Living Home Health & Hospice, we pride ourselves in developing programs and services that meet the needs of adults who wish to age safely and comfortably in the place they call home. Additionally, we recognize the contributions of families as dedicated and loving caregivers who need support, encouragement and help in caring for their loved ones.

Home health is designed to offer as much or as little help as you need by providing skilled services, under your doctor's direction, in the comfort of the place you call home.

## Affordable and Comprehensive Care

Our home health service is an affordable and comprehensive program that provides the skilled health care services and assistance you need to stay at home, living life your way.

Whether you're living at home, hospitalized, in a skilled nursing center, retirement communities or if your doctor feels you need additional services, we can visit your location and assist with your home health plans. Our well-trained and carefully screened specialists are available 24 hours a day, 7 days a week.

Upon request, we will promptly schedule a home visit to evaluate your home care needs and consult with your doctor to develop your treatment plan. Our services are covered by most insurances ,and we are a Medicare-certified provider.
